

ALUMNI ASSOCIATION OF SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH

Faculty of Public Health - Report

The Alumni Association of the Faculty of Public Health was inaugurated on the 13th October, 2018 at the department of Environmental Health Engineering. The inaugural program was held between 9.00 am and 12.30 pm. It included a session on “Continuing Education and Career Opportunities in Public Health” targeting the Master of Public Health and M.Sc Industrial Hygiene & Safety graduates as well as students.

Mr. V.S.V. Rajan (Executive Vice President, Corporate safety Head, Sanmar, Chennai and Alumnus, M.Sc Industrial Hygiene & Safety 2005 – 2006 batch), Mr. Raj Mohan (DGM, HSE, Toshiba JSW Power systems Pvt Ltd. Chennai and Mr. Kailash (Manager, SHE, Komoatsu India Pvt. Ltd. Chennai and Alumnus M.Sc Industrial Hygiene & Safety 2003 – 2004 batch) were invited as special guests. After the formal inauguration, Mr. V.S.V. Rajan gave a talk on “Opportunities for Public Health professionals in Industrial Sectors”, followed by Mr. Raj Mohan who highlighted the “Role of Corporate Social Responsibility in improving public health”, and Mr. Kailash who spoke about “Enhancing knowledge for additional opportunities”. Following the talks by the special guests, there was an interactive session with the alumni about current trends in industrial and public health sectors. Mr. Parthasarathy (Retired GM, Corporate HSE, Orchid Pharmaceutical Pvt.Ltd, Chennai and Alumnus M.Sc Industrial Hygiene & Safety 2003 – 2004 batch) gave a motivational talk to the alumni. Twenty eight alumni who took part in the program were benefited.
