ALUMNI ASSOCIATION

DEPARTMENT OF MICROBIOLOGY

1st Alumni Meet Report

From the inception of the MD course in 2000 and M.Sc course in 2007 we the Department of Microbiology conducted the 1st alumni meet on the 21st April 2018. It was a fruitful meet as 39 of the former students were able to make it.

Two of our alumni students Dr. Sidhartha Giri delivered the guest lecture on “Research funding avenues”. Another alumni Mr. Sidhartha Ojah spoke on the “Role of an MD Microbiologist in a Pharmaceutical Company” and the job profile.

We had a games and Quizzes. Video of “Activities we have conducted in the department were show cased in “down the memory lane” from 2000 to 2018 in the form of a video show. We ended with the feedback from the Alumni who said that they have made a mark wherever they are working and they are recognized for their skill and knowledge.
