

## ALUMNI ASSOCIATION OF SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION AND RESEARCH

### FACULTY OF DENTAL SCIENCES

#### EVOQUE 2018 - REPORT

The Mafian Grand alumni meet was successfully hosted on the 01.12.2018, Saturday at our Dental College. We were joined by many members of our alumni fraternity from all over the nation. We had a total of around 70 of us joining on that day to experience unity and show our alumni strength. The inauguration was brightened by the presence of our Vice chancellor Dr.P.V.Vijayaraghavan, Our Professor of eminence, Advisor (Academic) Dr.K.V.Somasundaram, Our Dean-Medical College, Dr.S.Anandan and our own Dean, Dr.C.Ravindran. Along with the dignitaries, was our organizing chairman Dr.S.Mythili. We were joined by our former principal Dr.Ramakrishnan and he was joyful in sharing the old memories of our college and the history behind the growth of SRDC as a team both professionally and at personal front. The team felicitated our speaker alumni on stage and they all shared their learning experiences with the students. Our own alumni presented the scientific sessions and uplifted our students on various upcoming challenges in dentistry which they have experienced and guided our students to foresee their future. We were encouraged by our back bone, Our Dean Dr.C.Ravindran to conduct the program in the best of our abilities.

The evening was light and interactive for the alumni families. It was hosted at Radisson Blu, Egmore and our senior faculties also joined. We had food, fun, dance and family all together organized well for the team. We had discussed on the planning of our 25th year celebration in 2020. We are looking forward to unite a bigger number and add more value to our alumni team.
